Call +91 11 23978046 or Email ncov2019@gov.in

Protect Yourself & Others from **CORONAVIRUS**

Don'ts

Have a close contact with anyone, if you're experiencing cough and fever

Touch your eyes, nose and mouth

Spit in public

Protect Yourself & Others from **CORONAVIRUS**

Do's

Wash your hands frequently with soap & water or use hand sanitizer

For health-related query, call
011-23978046

See a doctor if you feel unwell. Wear a mask while visiting a doctor

Throw used tissues into closed bins immediately

Cover your nose & mouth with handkerchief while sneezing & coughing

Avoid participating in large gatherings

CORONAVIRUS

When and How to Use Mask

Persons with no symptoms of Coronavirus should not use medical mask, instead, wash hands frequently

Continuous use of a disposable mask for over 6 hours increases risk of getting infection

Use medical mask while visiting healthcare facility or when caring for ill persons

A medical mask is effective for 8 hours. Change immediately if it gets wet

Used disposable masks should be disinfected and then disposed of by burning or deep burial
